

Meeting Executive Summary
African Ombudsman and Mediators Association
experiences of the ombudsman's offices

The African Association of Ombudsmen and Mediators held an electronic seminar for children's ombudsmen, which was presented on 25 March 2025, highlighting the role of ombudspersons in child rights advocacy.

During the meeting, Discussion and presentation the vision and role of ombudsman offices in three countries (Mauritius, Rotterdam, Netherlands, and Western Cape, South Africa) were presented as real case studies on the importance of the role of these offices in protecting children and adolescents and their effective interventions in developing and implementing practical strategies to enhance child-centered governance in Africa in particular and countries of the world in general.
